

# International Composting Awareness Week 2019

(Sunday 5 May to 11 May)

International Composting Awareness Week Australia (ICAW), is a week of activities, events and publicity to improve awareness of the importance of compost, a valuable organic resource and to promote compost use, knowledge and products.

The VWMA will be running a series of events during this week to raise the profile of composting and organic resource recovery as well as profiling the waste hierarchy and the people and businesses disrupting the market, working to improve business efficiency and environmental outcomes – Join us!
